Drive a portion of the diverted 1V54 between North Somerset Junction and Exeter St Davids. Good afternoon, driver. You're currently 57 minutes late due to an issue earlier in the journey at Morpeth. Your usual route via Bristol Temple Meads is currently closed for engineering works which means you'll be taking this nine-coach Voyager service to Taunton the long way round via Bath and Westbury. Hopefully there won't be too many issues ahead so you might be able to make up some time! Have a safe trip!
